

Shrewsbury Parks and Recreation Seeks Help with 4th of July Planning

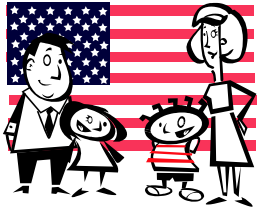

Looking for a way to beat the winter blues? Think summer. What better way to think summer than to think about the 4th of July.

Planning is underway for this year's 4th of July celebration. The Shrewsbury Parks and Recreation Department is seeking help from local community organizations to participate in this year's festivities.

Groups can participate the day of the event by sponsoring a game booth, a food booth, or by sponsoring an event. This is a great way for your group to be involved in a community event.

Sponsors are also needed to help us cover the costs of musical events and entertainment. If your group can help us in anyway, please return the enclosed form. If you can't help but would like to offer a suggestion to help us improve this year's festivities please feel free to do so. Your comments are always welcome!
